

HUNGER IN ADAMS COUNTY

SECOND HARVEST
FOODBANK
OF SOUTHERN WISCONSIN

At Second Harvest Foodbank of Southern Wisconsin, we believe that everyone deserves access to enough nutritious food to thrive. Every day—along with our network of local food providers—we work to support nutrition security and food equity for everyone in southwestern Wisconsin. The following data gives a high-level synopsis of hunger in the communities we support, and a glimpse of the impact we're making.

1 in every 7 people are considered food insecure.¹

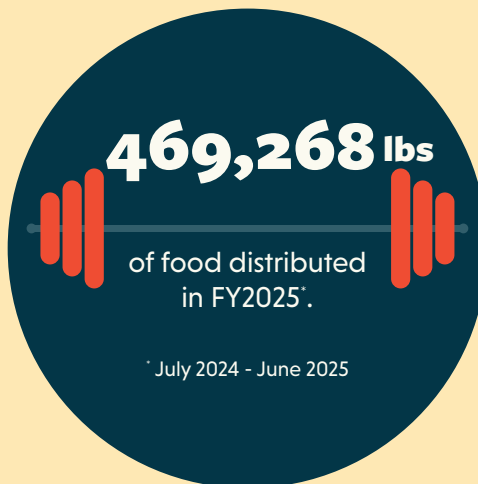

¹ Source is Feeding America's Map the Meal Gap research, comparing 2023 estimates (released May of 2025) to 2022 estimates.

² The estimated additional amount all individuals experiencing food insecurity need in your community to purchase just enough food to meet their food needs.

OUR SUPPORT IN ADAMS COUNTY

"Without you, I
don't know what
I'd do. I appreciate
it so much."
